DELTA COLLEGE
LIFELONG LEARNING PRESENTS:

A Seminar on the Michigan Electrical Licensing & Apprentice Ratio Requirements

Wednesday, April 29, 2009, 2:00 p.m. – 4:00 p.m.

Delta College, University Center, Michigan 48710

Room G-160

LifeLong Learning will host this informative seminar covering important changes and updates to the Electrical Administration Act 217 of 1956. Information about licenses and certificates, orders and rates, fees, issuance dates, and expiration and renewal dates will be addressed.

PRESENTED BY:

Dan O'Donnell, Chief, Electrical Division, Bureau of Construction Codes

State of Michigan, Department of Energy, Labor & Economic Growth

The cost of attendance is \$10.00.

Please register in advance by calling the Delta College

LifeLong Learning Department at 989.686.9367.

Registration deadline, Wednesday, April 28, 2009, by noon.

Who should attend this important and informative seminar?

- **Master Electricians**
- **Electrical Contractors**
- **Electrical Journeyman**
- **Apprentice Electricians**
- **Electrical Inspectors**

and anyone who supervises electricians or works within the electrical field.

Attendees are encouraged to submit questions in advance to [**lifelonglearning@delta.edu**](mailto:lifelonglearning@delta.edu).
Mr. O'Donnell will address your questions during the Q & A portion of the seminar.
