Troy, MI 48099

#### Secretary

Darrick Whitaker  
Detroit Edison  
P.O. Box 306  
Monroe, MI 48161

George H. Little was born in Wisconsin, a cheese head, but we won't hold that against him.

George started his electrical career in 1960 as a maintenance electrician helper.

Received his journey and master electrician licenses and later his electrical contractor's license.

He started his electrical inspecting career Part-time in Farmington Hills in 1983.

In 1985 he became the full-time electrical inspector for Bloomfield Township until he recently retired.

George Little has been a member of the Michigan Chapter for thirty-two years.

He served as a Pro-Tem member of the Michigan Chapter Board of Directors.

He has served on the Board of Director for over 25 years, and continues to do so and is even more involved then before.

He was instrumental in setting up the chapter's continuing education program for Public Act 54 of 1986, the Inspector Registration Act, where he has served as the Chapter's Assistant Secretary since 1986. The duties of the Assistant Secretary are very involved and he has done a remarkable job making our seminars run smoothly. There are a lot of communication and correspondence including phone calls, emails, letters, and personal visits necessary to make this function.

It hasn't always been the most wonderful job in the world, but he has assisted so many members during this time.

"Let the Code Decide"

George has served as an officer or Chairman of the Board of Directors for the past twelve years.

He served as the Chapter's 3<sup>rd</sup> Vice Chairman and Hospitality Chairman during 1995 and 1996.

He served as the Chapter's 2<sup>nd</sup> Vice Chairman and Guests Program chair during 1997 and 1998.

He served as the Chapter's 1<sup>st</sup> Vice President and Program Chairman during 1999 and 2000.

He served as the Chapter's President from 2001 and 2002.

He served as the Chairman of the Board of Director's for an unprecedented four years from 2003, 2004, 2005, and 2006.

George preserved his battle with cancer during the time of his term as the Chapter President. His health wasn't the best during this time, but his commitment to the chapter showed no signs of any illness.

He has been a keystone for the Michigan Chapter IAEI Inspectors School for the past five schools and has done an outstanding job.

He has given so much to this Chapter.

George has been a friend, a hard worker, a great example for others, and a mentor to many individuals of our Chapter.

I am not sure how this Chapter could have existed without his commitment and dedication.

George isn't done yet and we do not want him to even think we want him to leave either.

I feel it is time that the Chapter gives back something to a man that has done so much.

George, your dedication to the Michigan Chapter is amazing.

It is my privilege and honor to submit this proposal to the Chapter Secretary and to make a motion before the Board of Directors to bestow the honor of Honorary Membership of the Michigan Chapter to Past-President George H. Little.

Respectfully,

A handwritten signature in black ink that reads "David Williams". The signature is written in a cursive, flowing style.

David A. Williams
