What Can We Do Better

Offer 1 day Programs	Move mic to people with questions	Change to 2 meetings a year
Presentation after lunch needs to be Interactive	Have registration options 1 day, and food	Headed in the right direction, Nice Job.
Stop the background talk when the speaker is talking.	More examples vs simply reading through slides w/code verbage, verbatim	Nothing at this time, Doing Great!
The Sound System needs work		Better Communication with members
Simple surveys like these	Can't hear peoples questions	Nothing
Very Well Done	Did Great	Better location for summer meeting
