What Can We Do Better

Chapter doing a Great job	All Good	Not Much
Bring in more Manufactures Reps for presentations and displays	Enforce the use of Microphones for comments or questions	Jokes would liven the group especially after lunch
Practice Using Mics, It really does make a difference	Meet twice a year for 2-1/2 days training instead of three meetings.	Not Much, But I wish Alan would have had more time to present.
Have another meeting here	I won't travel this far for a one day registration.	Good Job!
Treat us Apprentices		Pretty much got it all together
Sell some IAEI-Michigan Logo Ball Caps in Maize and Blue	My first meeting; well organized group!	Nothing
The presenters need more visuals, either with slides or actual product to make points. A lot of information compressed into a very little time.		Do something so we don't have people asking questions or comments without a mic.

Comments

Need more online training from IO with Act 54 Credits	Come here in the summer for a meeting	I Love Frankenmuth for the Meetings
Enjoyed the program very much	Great Meeting! Thanks!	Great Program Great Location
Great Organization	Overall Very good session	Thanks for your efforts
Great Job!!! (4)	Best IAEI meeting in many years	Keep up the good work
Great Meeting (4)	Merry Christmas, See you next year :-)	I Love Frankenmuth for the Meetings
Good Meeting (3)	Very Good	Smaller Lunch Menu
Thanks for putting this on	Enjoyed the meeting	Great Meeting Thanks!
Julie was good, but wasn't prepared for her presentation. It was too long for her. Max 2 Hrs.	Presenters are challenged by amount of info to be delivered in such a short time.	The networking with the Code Panel members and other inspectors is awesome
