Comments

I like hearing about the changes from the people who are on the code panels. They offer a lot of insight to the process and why the changes ended up the way they are in the new code.	Thank you for getting the class approved for the code update requirement.	
Centralize in middle of the state	Great Program and Venue	Enjoy meetings and networking
GWL Not more than every three years.	Great Meeting! And Great Speakers!	Would like to go back to Otsego Club
Municipalities might not approve of a casino.	Certified Inspector.. After attending the IAEI Training, I feel that the information received is as good if not better than any certification.

Meeting room was too cold	Have a meeting in St. Joseph, MI	A new Conference Center
That was an exceptional Code class. It is great having the code panel members being able to provide more insight of the code changes.	Thank you note to Chief Dan for his service.	
Good to see more activity in the membership area. Prizes, recognition, etc. Try to promote incentives in the membership to get more members. Show where present inspectors are IAEI Members are not, promoting benefits of other members besides inspectors.		
Great Place and Great Job by all	Everything was Great!	Great Wolf Lodge Too Often
Thursday dinner food was bad. Rubber and raw chicken, cold veggies, ribs were good. I had trouble with the GWL reservation system. They have poor internet, kept getting transferred, they could not verify room status. They gave me difficult time for additional days. I am contacting their corporate MGMT.
