Guidelines for using Ferrules	Isolated Power systems	Material recognition fake or fraud
Public Acts	PV/Battery/Off Grid	More NFPA 70E
Fire Alarm System Inspections	Separately Derived systems	Fire Alarm Plan Review

What Can We Do Better

Great Job, Not Much	Have More Meetings	Doing Fine
Keep the 12 noon Firday Class	Let people get their own lunch	Great job!
See younger Board Members	Nicely Done!	Q & A
Offer material, books, handouts electronically	All is good thus far, Enjoyed the Meeting	Another Soares Class would be a sore subject
Great Job on All the work you do!!	Great Improvements!! Excellent Job!!	

Comments

Always a Great program	Great Meeting (5)	Thanks Great Program
Would like to speak at Insp. School RE:Field Evaluations	Very good meeting this time thanks for your work	Nicely Done
Speaker is very knowledgeable but struggles with pedagogy and getting key facts and terms across.	Flyers for wholesale house. Contracts are interested in IAEEI Meetings, Need flyers	Make Available Code Books, Soares on an app for phone or computer, give choice hard copy or Electronic.
Would like to see the Chief Electrical inspector for State to attend Meetings	Great Hotel and meeting area and walking downtown	Some speakers tell too many irrelevant stories and takes too long to get to the point
Very Good Job	Less War Talk (Mark)	Come Back here

Disappointed in the 70E, 645, 646 Lectures. Please focus on the CODE not to repeat experiences of the speaker! Also NO Social Jokes! Ms. Porter was excellent, Thank You

Interested in Serving on the Board (Not Currently on the Board)

Don Tottingham	Bert Gale	Barri Woods
