## Written Comments Received From the 2017 Annual Meeting Survey

### Programs You Would Like to See

Generator Installations	Pools, and Above ground Pools	DTE Information
Article 110	Article 450	Art. 215, 225, 230
Arc Flash calculations and labeling	Growing Process for medical marijuana	Information on the 2017 Electrical Code Changes
Photovoltaic AGAIN	Inspection Training	Emergency Systems
Michigan Residential Code	Pools	Wind Energy
Lighting Controls (IOT)	Services Art. 230	LED Retrofit
A longer Energy Code Program	Hazardous Locations	More Solar

### What Can We Do Better

Lounge Chairs	Nothing (3)	Raffle Drawings
Additional sound speakers to eliminate back talking.	Call 50/50 when all are present not on break.	I think the meetings and programs are great.
The microphones are hard to find and people don't use them. Maybe mic stands would help.	Site Selection. We have had two of the worse sites in a row that we have had meetings. Seems like we need someone else to review these better.	
Meeting was great, The facility (Hotel Room) was in disrepair due to lack of maintenance.	Quote right codes, Use Residential on 1-2 Family questions.	Code panel questions and answers are not getting put on the website?
Better Hotel, Hold meetings in Casinos.	Shorter, but more programs, 2 hours is too long.	Better chairs or hourly breaks, Hard on ass.
We need people to use the mics. No excuses use the mics.	Clearly announce ticket drawing.	Caffeine Drinks other than coffee!
Longer breaks to talk to others and manufacturers.	Moderators are closer to the center of front area.	I don't mind sitting, but a break, even short would be appreciated.
Softer Seats	Code Panel earlier in the program.	Need bigger coffee pot with hot coffee
Continual attendance.	Board and officers and committees all doing a good job putting on quality training programs.	

### Comments

Enjoyed all the programs, Thank you.	Talking from around the room makes it difficult to hear speakers in back of room.	Is it possible to have the State Electrical Chief attend all meetings?
Excellent Programs	Why no membership table?	Great Meeting
The hotel was run down. The meeting room was a nice set up. The catering staff were terrible. The Food was not served well and cold for the most part.		
This facility was below standard for locations that we hold meetings.	What happened to Membership Committee?	Food that supposed to be hot was cold and the hot beverages were luke warm.
I liked having more space at the tables.	Tom Bowes does a great job with the sound system. Thanks Tom!!	Check my email. For the Mass emails.
This was a good meeting room, nice layout, good job.	All the Programs were very good.	Nicely organized. Appreciate the effort.
It was a breath of fresh air to have the current BCC director compared to the jerk that was in charge before. It was great having the State there!!		Wednesday night hotel restaurant service and food sucked.
The hotel needs a major update or a wrecking ball.	What would the officials regard as a significant change the conference as compared to the previous five years?	
Nice to get people from the State. This is Helpful.	This hotel hospitality services were lacking.	Good Job on Everything!
Wednesday night dinner at the hotel was bad.	Tired hotel, Catering very poor.	It was informative.
Food and service slow.	Microphones for audience!!	Where is the membership table?
