## Written Comments Received From the 2018 Summer Meeting Survey

### Programs You Would Like to See

2017 NEC Changes in the code (4)	Energy Code and Energy Plan Review ASHRAE 90.1 (3)	Installation of Photovoltaic arrays
Solar and wind energy (2)	Bonding and grounding (2)	Hazardous Locations (2)
Fire pumps, Signs	Gas Stations	Grain Elevators
Awareness of hostile groups	Wiring Methods & TC Cables	BS&A Education
Services	Electric Car Chargers	Report writing
Communication/Law Right of Entry	More administrative credits please	More Fire Alarm and separately derived
Electronic Plan Review	Motors and Motor Calculations	Safety for inspectors
Smoke & CO2 Alarms 1-2 Family	Tech/wireless service inspections	High speed internet towers by homes

### What Can We Do Better

Better table spacing	Better food next time	Better internet in Hotel
Would expect better food from the facility.	The worst presentation on Fire Alarms Ever.	Next June no Thursday Dinner
More space around tables	Great job	It was a good program
More informative State of Michigan Report	Better spacing of tables use round tables	A lot of money for these classes.
Handouts, It would be nice to get handouts on the subjects that cover vital info.		This visit was well planned and perfect
Over all good, maybe a few more product vendors.	4 speakers instead of 2, hard of hearing, should be the same in the back or front of room.	
Heat, Facility was too cold. More fruit and vegetables. A working pool and exercise room.	Presenters should be refrained from using Jokes. We are hear to learn.	Bigger room for the conference, not enough room between tables to move around

### Comments

Everyone wants training on the 2017 Code	Folks! You are doing Great!! Well Done!!!	Be careful who gets elected to the board
The people I have met are a great network of knowledge, Thank You All.	The fire alarm presentation had a lot of good information, but the presentation was dry.	Lack of hot water in the meeting
I really enjoy these classes being new it is very helpful with me doing my job correctly.	Love Every Meeting. Wish we had more, even just one day. Looking forward to the Inspector School (2nd Time)	I believe I could bring good ideas to the board with great support. Ken P.
No rooms available at the hotel.	Enjoyed IAEE Meeting Very Informative	Eliminate Thursday dinners (3)
The new ear microphones really helped a lot. Thanks	Sound was better, Not Great	Great to have Isle Mics. Make them use them.
Is it possible to have the state electrical chief at our meetings in the future? His knowledge is important	Social Room is alcohol room - suggest other stuff. If pool, exercise room or walking tracks are closed - relocate! More stuff outside.	Expensive meeting for the quality of the four hour fire alarm program A lot to be desired.
Good job on all programs	Horrible lunch, Worst Ever.	Best Ever meeting facility
Great Conference	Provide Handouts	All and All Good Meeting
