

CERTIFICATION OF RECORDS SEARCH AND EXAMINATION

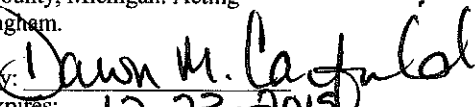

Department of Licensing and Regulatory Affairs
Bureau of Construction Codes
Electrical Division

I, Jim Hennesey, Assistant Chief of the Electrical Division, am a custodian for the records of this organization, and hereby certify that I have searched and examined all our records on July 18, 2014, for subpoena file no. 12-07159-NI. In this capacity I did locate records regarding Nathan W. Hamann, and have made a true and exact copy of the original records, and that the attached copies of the original records are true and complete. Nathan W. Hamann was registered as an apprentice electrician as of August 12, 2010 and his last registration as an apprentice electrician expired on August 31, 2010. Nathan W. Hamann is not presently licensed or registered with the State of Michigan under the provisions of the Electrical Administrative Act, 1956 PA 217. I have attached a copy of the aforementioned act and MCL 338.885 to MCL 338.887 are pertinent sections of this act concerning the requirement for an electrical license and the classes of work that are exempt from licensure. Furthermore, I find no other records for the person named and information requested. A search of the Department records show no Application for taking of the Journeyman Electrician Examination ever filed by Nathan W. Hamann at all times prior hereto.
